

PERSONAL EQUIPMENT & GEAR LIST

This list is for the following trips:

ASTRONOMY ADVENTURE TRAVEL WITH CAMPING : QC-02 / QC-04

Note: This is a reference list, of available options you will find in the market to provide you isolation, comfort and safety, anyhow, it's impossible, due to the large amount of fabrics, variety and models out there, to give a more specific list, so at the beginning of each trip we will have a gear check, to be sure that the gear and equipment you bring in, applies and cover everything you will need for that particular adventure.

So, please feel free to contact us, to clarify any doubt you could have about this specific topic.
